**EMPOWERING
PACKAGING
AND PRINT**

A Simple Change for Huge Results.

Looking for a simple way to grow your business in a big way?

By adding **ShipExpress** to your **PrintSmith Vision®** platform, you can turn your shipping department into a profit center. ShipExpress offers print owners serious money and time-saving benefits right out of the box, including:

- Reducing errors by eliminating the need for double-entry of data
- Dramatically reduces shipment processing time
- Streamlines the parcel handling process for any carrier
- Automatically assists in locating the lowest available freight cost

And installing **ShipExpress** couldn't be easier – that's because it's already built right into the PrintSmith Vision platform! That means there's **NO INTEGRATIONS, NO THIRD-PARTY SOFTWARE**, and **NO HASSELS** to get up and running.

Would improving your shipping process help your business? To learn more about the power of **ShipExpress**, we invite you to click [HERE](#) to watch a short, but informative video.

Sincerely,

Your friends at *eProductivity Software*
